400 W. 7th Street, Suite 112
Bloomington, IN 47404

Tel: 812.334.9996 Fax: 812.334.1960 Emergency: 800.424.9300

Effective Date: 2/96

Product Name: 5-Bromo-4-Chloro-3-Indolyl-A-D-Galactopyranoside
(X-Alpha-Gal)

Molecular Formula: $C_{14}H_{15}BrClNO_6$

ardous Ingredients:

Melting point (range) Approx.: 211-212°C. (dec)
Appearance: White powder

Haz

Cancer References:

None known

Fire and Explosion Information:

Extinguishing media to be recommended: Use dry powder, foam or carbon dioxide extinguishers.
Fire and explosions hazards: In fire, or if heated to decomposition, toxic fumes may be formed. Mask or breathing apparatus may be required.

Handling and Storage Information:

Exercise normal good chemical handling practices. Use gloves and eye/face protection. Hood or fume extraction are always recommended for chemical handling. Store in a freezer.

Leak/Spill Information:

Take routine precautions to avoid or minimise contact. Collect together and place into sealed, labeled containers. Remove to a chemical incinerator or approved disposal site.

Disposal Information:

Dissolve in or mix with a combustible solvent and burn in an approved chemical incinerator.

Health Hazard Information:

A. Exposure/Health Effects

No special exposure symptoms known.
Caution: Substance not yet fully tested.

B. First Aid:

Take routine first aid measures.

Ingestion: If ingested do not induce vomiting. Rinse mouth and then give water to drink.

Skin Contact: Wash affected areas with plenty of soap and water. (skin and eyes)

In case of doubt, if unusual symptoms develop or if victim feels unwell seek further medical advise.
